## THE VERGE BIG DAY OUT

Do you need another option to the whole weekend retreat?

- Do you have youth that have never been to a District retreat and are hesitant?
- Do you have 6<sup>th</sup> graders who have hung back from participating or 5<sup>th</sup> graders you want to introduce?
- Are you a church without a youth group but you have a one or a few youth who want to try out a district event?
- Are you saving for a mission trip and can't afford the retreat too?
- Are some of your youth too busy to give a whole weekend, but they still want to participate?

**Then try our first "Big Day Out"!**

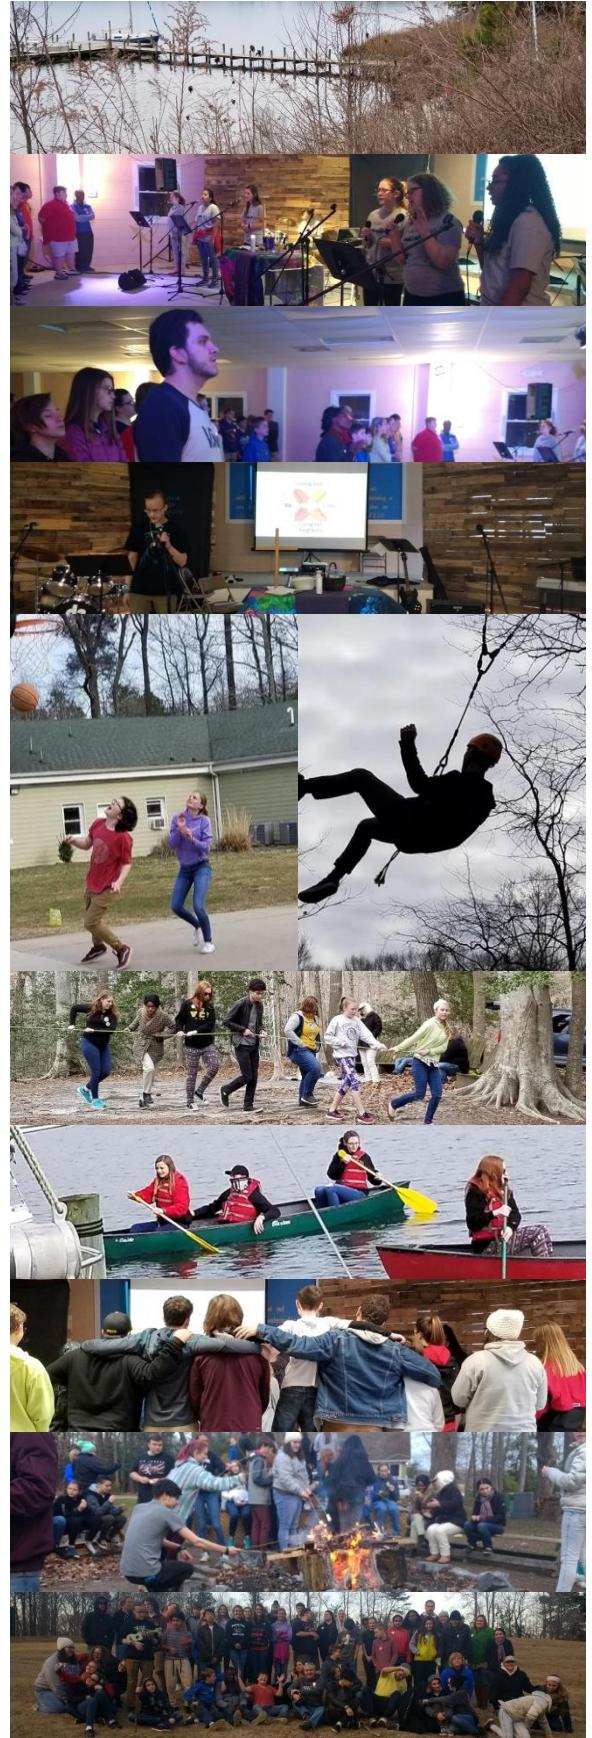

Wear messy clothes you can get wet & bring a change just in case.
